Agenda

- ▶ „Environmental Systems Research: Urban Environments“
Pilot Call – Full Proposal Phase
- ▶ Q & A

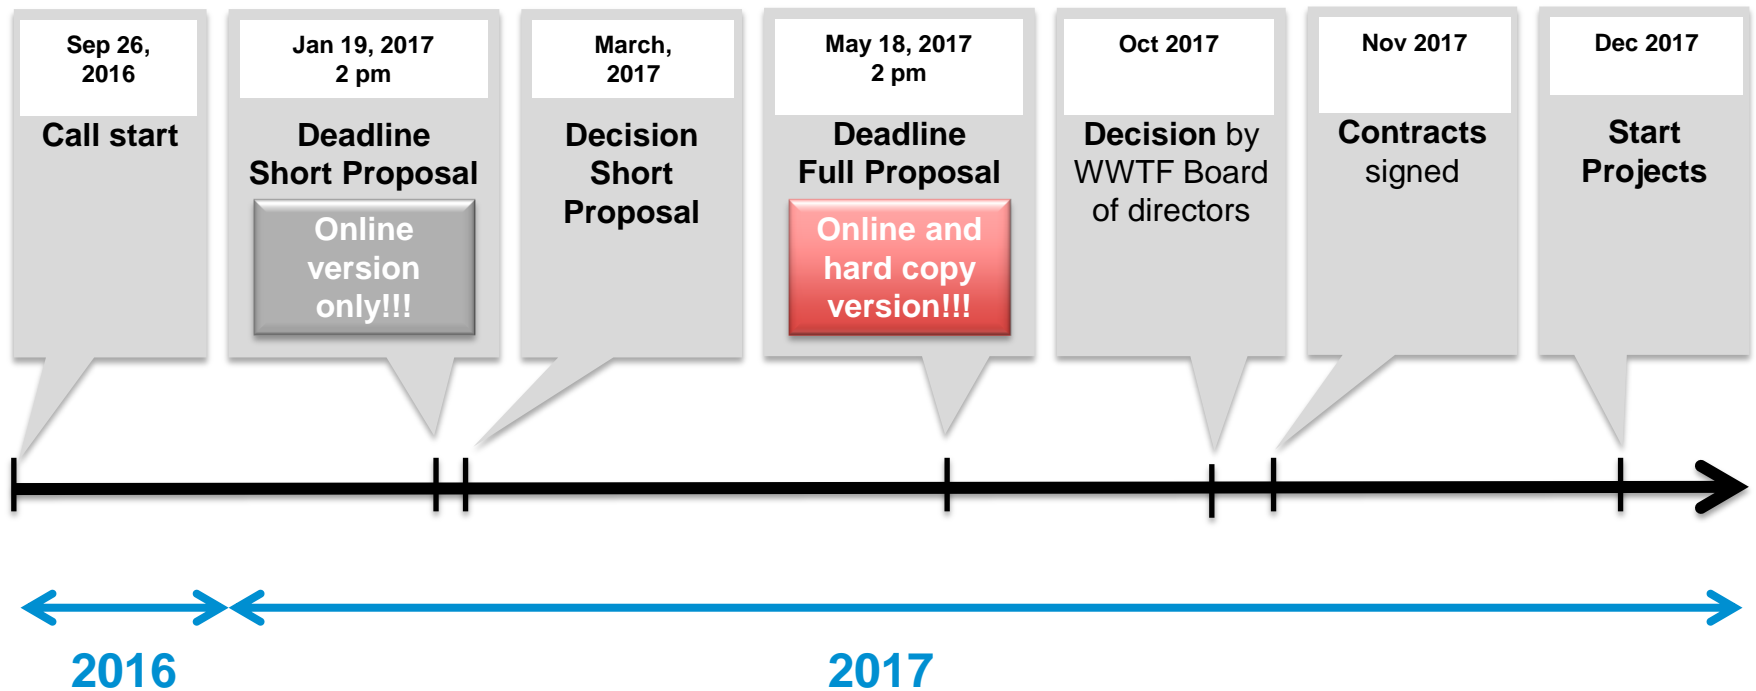

ESR Pilotcall 2017: Focus and key facts

- Budget for this call: **4 Mio. €**
- Funding range per project: **200.000 to 650.000 €**
- Project duration: **24-48 months**
- Short proposals had to be submitted by 19 January 2017, 2pm
- Invited Full proposals have to be submitted by **18 May 2017, 2pm**
- Researchers at universities and non-university research institutions in Vienna, including those moving to Vienna as a result of this call
- Max. funding for non-personnel costs: **25% of total budget**
- The main project activities should take place in Vienna. Up to **20% of the funding budget** may be allocated outside Vienna

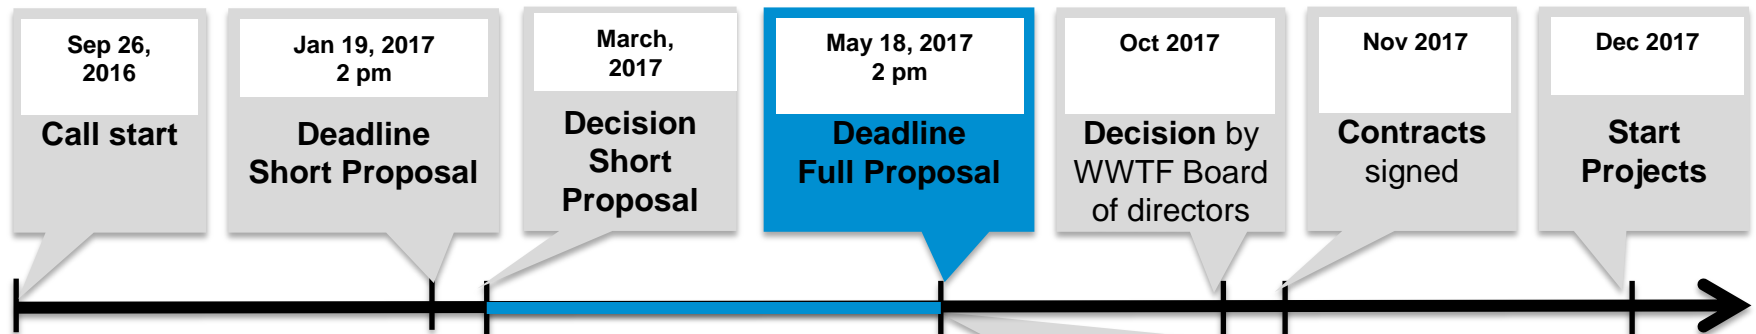

Characteristics of successful projects

- Top class research projects which examine the urban environment in a holistic way in an interdisciplinary manner:
 - Expanding current views and knowledge
 - Principle Investigators (PIs) and collaborators: strong experience in interdisciplinary research/ methodology
- Tackle clearly identified research questions that focus on state of the art scientific questions and address different environmental “-spheres” in urban areas
 - Have profound research questions with societal relevance (long term)
- Include predictive modelling approaches (strongly encouraged)
 - Should come forward with project designs that should go far beyond monitoring

Schedule of the current pilot call

Full Proposal Submission and Peer Review

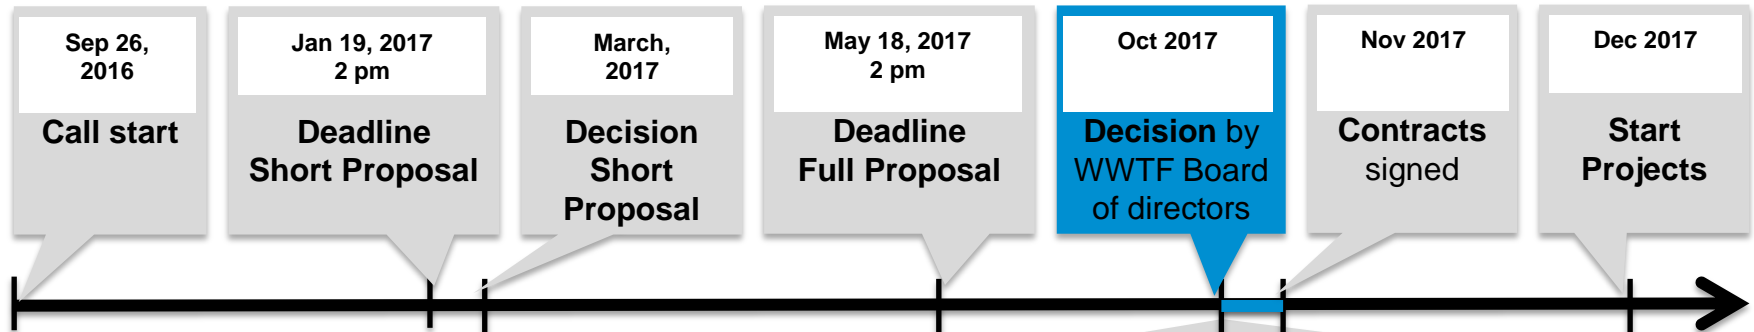

Full Proposal Submission and Peer Review-Process

- Full proposals to be submitted **electronically and hard-copy version!!!**
- Hard copies (including all signatures) directly to WWTF office or via mail service – post stamp counts and is accepted up to May 18, 2017

Peer Review:

- A minimum of three reviews per proposal
- Reviews completed only by international reviewers; anonymous
- Reviews form the basis of the jury discussion

Main evaluation criteria

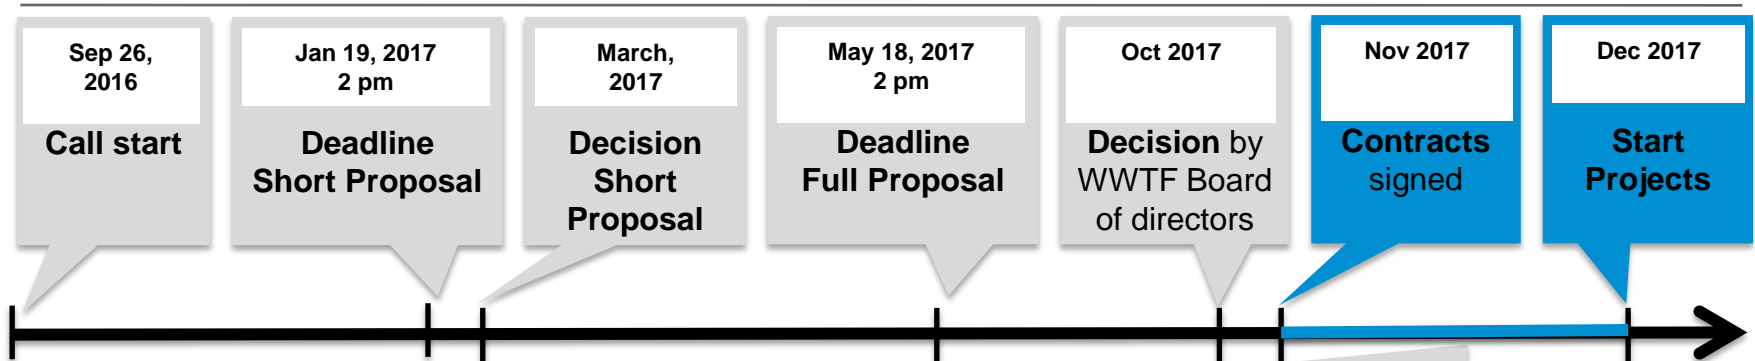

Jury recommendation

- Main evaluation criteria:
 - **Scientific quality:** international scientific standards; originality, excellence
 - **Hypothesis-driven:** clear and concise research questions
 - **Fit to call:** urban problems, interdisciplinarity,...
 - **Innovative** character
 - **Societal** relevance
 - **Collaboration** and **expertise** of the consortium
 - **Feasability** of the working plan

Decision

- Formal decision by the board of directors
- All applicants receive a decision letter (rejections and acceptances) with anonymous reviews

Contracts signed and project start

- Funding contract between WWTF and the coordinator's host institution (§ 27 according to UG2002 for universities)
- Coordinator has scientific and financial responsibility for the project
- During project duration:
 - Funding rates every six months in advance to the coordinator's home institution; Coordinator has to allocate to partners
 - Short annual reports to WWTF as prerequisite for the release of installments
 - Site Visit by WWTF
- After project completion:
 - Comprehensive final report
 - Ex-post Evaluation

5. Affirmations and Authorization

5a. Affirmations

In signing the application form, all persons involved (project manager, partners) undertake that the information provided in the application form is, to the best of their knowledge and belief, accurate and complete. They confirm the following:

- All relevant material changes will be promptly communicated to WWTF.
- All persons agree not to exploit intellectual property as individuals, but, if in any way possible, within the set of rules of their Home Institutions. All publications have to mention WWTF as a funding institution.
- The persons involved will ensure compliance with all legal and procedural requirements regarding safety, ethic issues, notification requirements and any other relevant regulations.
- The persons involved confirm that the work plan submitted for WWTF funding is currently not subject to third party funding (like FWF, EU-funding, any other regional, national or international funding).
- The persons involved pledge to disclose if they intend to apply / have applied for funding for the same work plan at other funding sources.
