Final Workshop of the WWTF ›Public Spaces in Transition‹ Call 2013

In 2013 WWTF funded six social sciences and humanities projects within the thematic call ›Public Spaces in Transition‹. The call was issued within the City of Vienna sponsored programme ›Social Sciences and Humanities in Vienna‹. At the final workshop, the projects will present their results and insights to an academic and public audience. Members of the original selection jury will provide comments on the projects.
